REGAL SECURITY SERVICES SPECIALIZE IN PROVIDING HIGHLY TRAINED, EXPERIENCED AND PROFESSIONAL SECURITY PERSONNEL.

WE PROVIDE HIGH PROFILE UNIFORMED & NON UNIFORMED SECURITY GUARDS, LOW PROFILE 'UNDERCOVER' OFFICERS, FRONT OF HOUSE AND RECEPTION TEAMS, IN SHORT, WE CAN DELIVER THE RIGHT PERSONNEL FOR ALL SECURITY REQUIREMENTS.

With quality and value at the heart of all we do we have an excellent history of contract retention and client satisfaction.

All our security officers are carefully chosen based on their level of professionalism, presentation, aptitude, skills, experience, integrity, and discretion. They are all trained to the highest standards and individually assessed and accredited before going into the field. Many have an armed forces or police background, and all are managed closely to ensure they continuously deliver the standard of service that our clients expect.

We currently provide security personnel for the following environments:

- High profile uniformed & non-uniformed officers
- Low profile under-cover guards
- High-value vehicle escorts & tracking services
- Protection of offices, equipment, and buildings
- Guarding of cash and valuables
- Traffic control and parking protection
- Guarding of vital installations
- Security of materials and movement control
- Anti-theft and anti-pilferage checks
- Security and protection of IT assets and infrastructure
- Access control/gate control
- Verification of identification

We specialize in the installation and servicing of the most advanced and user-friendly security equipment for commercial, government, and residential sites.

We provide 24-hour monitoring of intercoms, CCTV, and access systems, partnering with some of the leading service providers within this sector.

Get in touch today to discuss your security concerns and we will advise the best options for you.
